

CERTIFICATION : EN 795 : 2012 Type B / REGULATION : 2016 / 425

## TECHNICAL SPECIFICATIONS

- Aluminum rings
- Resistance  $\geq 18$  kN
- Webbing resistance  $\geq 45$  kN
- Polyester webbing wide 30 mm
- Weight : 300 g (NELFF12)
- Available lengths : 0,9 m / 1,2 m / 1,5 m

## USE

Temporary anchor system for forestry works. The webbing sling can be fixed making a loop. The steel ring and quick connector are suitable with any types of ropes.

## DESCRIPTION

The false crotch NELFF is very resistant and made of a polyester anchor strap. It has a high friction resistance. Easy to use, NELFF is fitted with 2 steel rings which goes through them to allow installation and to get it back from the ground.
