DESCRIPTION

Ergonomic full body harness and rescue harness, **OX'O ST** is designed with an **innovative X-shape architecture** that perfectly fits the user's body shape.

This unique design ensures **an uniform distribution of forces**, reduces pressure points, and eliminates neck chafing. The **inclined leg straps** and the X-shape webbing at the waist provide **freedom of movement** and long-lasting comfort, even during intensive use.

Equipped with **quick-adjust buckles**, dorsal and sternal attachment points, and visible fall indicators, **OX'O ST** ensures quick donning and simplified safety inspection.

Its **reinforced and ventilated 3D fabric shoulder pads**, together with ergonomic leg straps, offer **breathable and durable comfort**.
